RE: C00461368

Dear Mr Whyrick:

This letter is in response to your request for additional information regarding the Buck for Colorado October Quarterly Report (07/22/10-09/30/10).

- 1.) The following contributions which appear to be from a corporation are actually from permissible entities:

ICR Contracting, LLC      09/30/2010      \$4,800.00

This entity is an LLC that files with the IRS as a partnership and this contribution is attributed though memo entries to Ken Wane, \$2,400 to the general election and \$2,400 to primary election debt. An amended Schedule A attached reflects the correct attributions in the ICR Contracting (partnership) record as well.

Sparky's Septic Service      09/30/2010      \$250.00

This entity is a partnership and this contribution is attributed to George Bates for the general election.

Marvin's Rebuilders      09/30/2010      \$300.00

This entity is a partnership and this contribution is attributed to Dan Shorage for the general election.

- 2.) The following contributions which appear to exceed federal limits are listed below with clarifications and resolutions:

ICR Contracting, LLC

This entity files with the IRS as a partnership and the contribution in question is attributed to Ken Wane, \$2,400 to the general election and \$2,400 to primary election debt.
